

# Attention Utility Customers:

On Sept. 20, 2018, the City Council enacted an amendment to Ordinance Chapter 52, titled “Water and Sewer Rates,” increasing the cost of **water** service effective Oct. 1, 2018; changes will be reflected on statements after Nov. 1, 2018. This change effects all water service accounts and is as follows:

**Base Charges for Water for ALL Service Classes except PRIVATE FIRE\***

(these are based on meter size (*Line size for Private Fire*) and include the first 3,000 gallons of water):

Meter Size / Line Size	Current	After 11/1/2018
5/8" and 3/4"	\$11.38	\$11.67
1"	\$13.79	\$14.14
1 ½"	\$19.33	\$19.82
2"	\$27.28	\$27.97
3"	\$43.92	\$45.02
4"	\$61.47	\$63.01
6"	\$107.50	\$110.19
8"	\$135.76	\$139.16
10"	\$197.33	\$202.27
12"	\$293.84	\$301.19

*\*PRIVATE FIRE is based on service line size and fall in line with the charge(s) above.*

**Tiered Rates for Residential, Apartment, and Commercial**

(these are billed per thousand above the first 3,000 gallons in the base water charge):

Gallons Used	Current	After 11/1/2018
4,000 – 10,000 Gallons	\$4.60	\$4.72
11,000 – 20,000 Gallons	\$4.96	\$5.09
21,000 + Gallons (October thru May) “Winter Rates”	\$5.30	\$5.44
21,000 + Gallons (June-September) “Summer Rates” ( <b>RESIDENTIAL</b> )	\$5.83	\$5.98
21,000 + Gallons (June-September) “Summer Rates” ( <b>APARTMENTS and COMMERCIAL</b> )	\$5.83	\$5.83

**Tiered Rates for Large Industrial and Fire Hydrant meters**

(these are billed per thousand above the first 3,000 gallons in the base water charge):

Gallons Used	Current	After 11/1/2018
4,000 + Gallons	\$4.35	\$4.46
