#### PURPOSE

To plan, direct and manage the ICVB financial accounting system, including financial reporting, internal auditing, and purchasing functions; Perform a variety of high level accounting and purchasing duties; Supervise the accounting team staff, which includes organizing, assigning, performing and reviewing work. Also, this position oversees ICVB budget preparation and monitoring, including coordination of the annual operating and capital budget development process, and the monitoring of current revenues and expenditures for variance against the adopted budget.

#### ESSENTIAL DUTIES AND RESPONSIBILITIES

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily.\*

- Prepare, monitor, administer, adjust, and audit ICVB budget; Prepare hotel tax revenue projection for use by various city departments.
- Process budget transfers and adjustments.
- Maintain and reconcile general ledger and sub-ledger accounts for ICVB funds; Ensure proper recording of the financial activities of the ICVB.
- Interview, hire, monitor, and evaluate Senior Accounting and Purchasing Assistant, which includes providing training, developing goals, assigning work, evaluating performance, managing schedules and leave; Handle performance management issues and implement discipline as required.
- Prepare monthly, quarterly and annual financial statements for the ICVB funds and various other financial reports as needed; Present monthly financial statements and other financial reports to the Executive Committee of the ICVB Board of Directors.
- Present and explain complex budgetary and financial analyses and make sound recommendations to divisions, senior management, and the ICVB Board through the use of detailed charts, graphs, and other resources.
- Direct and support the development and implementation of financial and statistical measures to evaluate the existing and future financial environment of the City.
- Coordinate the integration of strategic plan goals, strategies and performance measures into the budget process.
- Research and answer accounting system questions and/or issues.
- Prepare ICVB bank deposits, bank reconciliations, and journal entries for ICVB funds
- Perform cash management duties, such as monitoring the ICVB bank account balance, resolving related issues in a timely manner, and investing funds.
- Manage and approve processing of DDRs, purchase orders, invoices, and checks.
- Ensure integrity of finances based on sound accounting procedures and controls by analyzing ICVB accounting division internal controls and developing and instituting revised controls if needed.

- Participate in the development of ICVB financial and purchasing policies and procedures; Make recommendations to supervisor.
- Audit the sales division bookings; Prepare audit report for the CVB Executive Director.
- Audit and reconcile travel expense reports using online expense reporting system; Participate in the development of the system.
- Review and reconcile fixed assets.
- Provide technical support for Enterprise Resources Planning (ERP) and timekeeping systems to staff.
- Perform related duties as assigned.
